STEM Kit Check-Out Form (Delivery Request)**

Requesting School/Organization: _____

COMPLETE Mailing Address: _____

Contact Name: _____ Phone Number: _____

Email Address: _____

Grade Level(s) of Students: _____

Desired Received Date: _____ Desired Return Date: _____

Principal's Name (if applicable): _____

The following classroom sets (15 kits for up to 30 students to work in pairs) of STEM kits are available for teachers to request be shipped to their school (one kit per school at a time). Please mark which kit you would like to borrow:

Beginner Level STEM Kits:

- Bees Please!
- Plankton to Plastic Pollution
- Soil Carbon
(needs microscopes-not provided in kits)

Intermediate Level STEM Kits:

- Anchainline Pools
- Get Critical!
- Get Energized!
- Solar Cars

Advanced Level STEM Kits:

- High Tech Rocks!
- Secrets of the Hibernators
- Vital Ice

By signing below, we agree to:

- To supervise students using the kits at all times.
- Take full responsibility for student safety while they are using the kits.
- Handle the materials with care.
- Return the kits and all included materials to the NSEOC in the same condition as they were checked out in and by the above stated date (or earlier).
- To complete a feedback survey after using the kit with our students.

We understand that if a piece of equipment becomes damaged or lost (unless it is a consumable) while in our care, the school may be responsible for replacing it.

We understand if kits are not returned in a timely manner, it may jeopardize our ability to check out kits in the future.
