

Natural Sciences Education & Outreach Center's Past Events

December 2023

- STEM Friday, Salts of the Earth, Compass Community Collaborative School, Dec 1
- STEM Friday, Pico Pong, Timberline PK-8 School, Dec 8
- National Geographic premiers: "Science Fair: The Series" on Disney+
- Presidents Sustainability Commission meeting, Dec 11
- FRCC NRE Advisory Group Meeting, Dec 13

November 2023

- STEM Friday, GetWET Field Experience, New Vision Charter School, Nov 3
- Front Range Community College at GetWET, Nov 9
- STEM Friday, Get Critical!, Valley High School, Nov 10
- Presidents Sustainability Commission meeting, Nov 13
- STEM Friday, Secrets of the Hibernators, Fort Lupton Middle School, Nov 17

October 2023

- CSU Fall Picnic, Oct 4
- STEM Friday, High-Tech Rocks, Rocky Mountain High School, Oct 6
- President's Sustainability Commission meeting, Oct 9
- River Investigators, Environmental Learning Center, Oct 10
- Governor's Awards for High-Impact Research, Denver Museum of Nature and Science, Oct 11
- GetWET, Rocky Mountain High School, Oct 12 & 13
- STEM Friday, Wonder of Wolves, Lincoln Middle School, Oct 13
- STEM Friday, Really Ancient Fossils, Johnstown/Milliken Elementary Schools, Oct 20
- STEM Friday, Bees, Please! Prairie Ridge Elementary School, Oct 27

September 2023

- Triunfo Mentoring Program Orientation, 3 – 4 pm, B302, Sep 7
- President's Sustainability Commission meeting, Sep 11
- Rebecca Cheek's dissertation defense, Sep 14
- Visitors from CSU Pueblo's MAPS program, Sep 14
- Triunfo Mentoring Program Orientation, 3 – 4 pm, B302, Sep 14
- Spur Expo, Lory Student Center, Sep 15
- Triunfo Mentoring Program begins, Sep 21
- STEM Friday, GetWET, West Ridge Academy, Sep 29
- Colorado Alliance for Environmental Education (CAEE) Annual Conference, CSU Spur, Sep 30

August 2023

- President's Sustainability Commission meeting, Aug 14
- CNS New Faculty Orientation, Aug 15
- Spur Strategic Planning Meeting, Aug 16
- High-Tech Rocks! kit in Dr. Neilson's graduate course on solid state chemistry, Aug 22
- NSCI 200: Scientific Inquiry in Educational Settings course begins
- High-Tech Rocks! kit in Dr. Prieto's nano-chemistry course, Aug 30
- CNS Picnic, Aug 31

July 2023

- Visit the Mentoring Access & Platforms in STEM (MAPS) Center at CSU Pueblo, Jul 11
- GLOBE Annual Meeting, Denver, Jul 18

June 2023

- Forgotten Forests kit activities in SW Wyoming, Jun 2 – 15
- SciVet Summer Camp, Jun 19 – 23

May 2023

- STEM Friday, Mead Middle School, May 5
- El Centro Graduation Ceremony, May 5
- Council of Research Associate Deans meeting, May 8
- FRCC NRE Program Advisory meeting, May 9
- Stream Table Training, Spur Hydro, May 10
- Cami Christensen's Honors Thesis Defense, May 13
- STEM Presentations, Fossil Ridge High School, May 16
- Soils of Fire PD session, Spur Hydro, May 23
- Forgotten Forests project site visit, May 29
- NESB Third Floor Potluck, May 30

April 2023

- STEM Friday: Elwell Elementary School, Apr 7
- Celebration of Randy Vickery!! nominated for Student Employee Award, Apr 11
- Colorado Science and Engineering Fair, LSC, Apr 13 – 15
- GetWET Field Experience with Science Methods course, Apr 19
- STEM kits at CSU Earth Day Festival, LSC, Apr 20
- STEM Friday, Walt Clark Middle School, Apr 21
- Get Energized kit with Falcon AeroLab Homeschoolers, Apr 21
- Get Energized activities for launch of Poudre River Library District's new electric book mobile, Evie, Apr 22
- STEM Friday: Longmont High School, Apr 28

March 2023

- STEM Friday, Meadowlark K-8 School, Mar 3
- Paleontology meeting at Denver Museum of Nature and Science, Mar 9
- STEM Friday, Milliken Middle School, Mar 10
- STEM Friday, Estes Park Middle School, Mar 24
- STEM Friday, Indian Peaks Elementary School, Mar 31

February 2023

- Triunfo begins, Feb 2
- Soils of Fire kit with Colorado Department of Agriculture Lab Retreat, Spur Terra, Feb 16
- STEM Friday, Valley High School, Feb 24

January 2023

- Stream Table and Teaching Lab activities for Grand opening of the Spur Hydro Building, Denver, Jan 6
- Stream Table and Teaching Lab activities for Spur Day at National Western Stock Show, Denver, Jan 10
- Stream Table and Teaching Lab activities for CSU Day at National Western Stock Show, Denver, Jan 14
- Teaching Lab activities for MLK Day at Spur, Denver, Jan 16
- President's Sustainability Commission annual retreat, Jan 20
- SLiCe Involvement Fair, Jan 25
- Triunfo Mentoring Program orientation, 3:00 pm, Jan 26

December 2022

- Triunfo Mentoring Program, Dec 1.
- FRCC NRE program advisory board meeting, Dec 14.

November 2022

- Triunfo Mentoring Program, Nov 3.
- Colorado Science Conference, Castle Rock, Nov 5.
- Triunfo Mentoring Program, Nov 17.

October 2022

- Triunfo Mentoring Program, Oct 6.
- Triunfo Mentoring Program, Oct 20.

September 2022

- Triunfo Mentoring Program orientation, Sep 8.
- Spur Expo, Sep 9
- Triunfo Mentoring Program orientation, Sep 15.
- Triunfo Mentoring Program begins, Sep 22.

August 2022

- President's Sustainability Commissions meeting, Aug 15.
- CNS New Faculty Orientation, Aug 17.
- Spur Tactical Team Meeting, Aug 24.
- CNS Strategic Plan Launch and Annual Faculty Staff Picnic, Aug 25.
- NSCI 280A2-001: Scientific Inquiry in Educational Settings course begins, Aug 26.

July 2022

- Earth System Science Collaborative Workshop, Estes Park, Jul 7-9.
- Colorado Foundation for Agriculture Teacher Workshop, Jul 12.
- President's Sustainability Commissions meeting, Jul 18
- Wonder of Wolves STEM Kit at Wolf Haven, Tenino, Washington, July 25-28.
- Spur Tactical Team Meeting, Jul 28.

June 2022

- Spur K-12 Working Group, Jun 3
- SciVet Summer Camp, June 20-24

May 2022

- STEM Friday, Truscott Elementary School, May 6
- Spur K-12 Working Group, May 6
- Regeneron ISEF 2022, Atlanta, May 8-13

April 2022

- STEM Friday, Bamford Elementary School, Apr 1
- Spur K-12 Working Group, Apr 1
- Colorado Science and Engineering Fair, Apr 7-9
- Triunfo Mentoring Program, 2:45-4:45 PM, Apr 14
- STEM Friday, TBD, Apr 15
- STEM Friday, Milliken Middle School, Apr 22
- Greeley Water Festival, Poudre Learning Center, Apr 27
- Triunfo Mentoring Program, 2:45-4:45 PM, Apr 28
- STEM Friday, North Valley Middle School, Apr 29

March 2022

- Triunfo Mentoring Program, 2:45-4:45 PM, Mar 3
- STEM Friday, Centaurus High School, Mar 4
- Spur K-12 Working Group, Mar 4
- STEM Friday, Blevins Middle School, Mar 11
- STEM Friday, Valley High School, Mar 25
- Triunfo Mentoring Program, 2:45-4:45 PM, Mar 31

February 2022

- Triunfo Mentor Orientation, 3:00-3:45 PM, Feb 3
- Spur K-12 Working Group, Feb 4
- Triunfo Mentor Orientation, 3:00-3:45 PM, Feb 10
- Triunfo Mentoring Program, 2:45-4:45 PM, Feb 17
- President's Sustainability Commission meeting, Feb 21
- STEM Friday, Berthoud High School, Feb 25

January 2022

- Spur Tactical Team meeting, Jan 5
- Colorado Earth System Science Collaboratory meeting, Jan 10
- President's Sustainability Commission retreat, Jan 13
- Scientific Inquiry course begins, Jan 28

December 2021

- Triunfo Mentoring Program, 2:50 PM, B302 NESB, Dec 2
- Courtney's Dean's award ceremony, Cherokee Park Ballroom, LSC, 4:30 pm, Dec 2
- STEM Friday, Niwot High School, Dec 3
- Spur K-12 working group meeting, Dec 3
- Teacher PD: Engaging Students with Authentic CSU STEM Experiences, 5-7:30 PM, B302 NESB, Dec 7
- STEM Friday, Skyline High School, Dec 10
- Fossil Ridge High School STEM Academy presentations, Dec 13
- Front Range Community College NRE Advisory Board Meeting, Dec 15
- Vicky visits West Hawai'i Explorations Academy and Kaloko-Honokōhau National Historical Park.

November 2021

- Triunfo Mentoring Program, 2:50 PM, B302 NESB, Nov 4
- Colorado Science Conference, virtual, 9-4 PM, Nov 6
- Teacher PD: Engaging Students with Authentic CSU STEM Experiences, 5-7:30 PM, B302 NESB, Nov 9

- STEM Friday, Fort Lupton Middle School, Nov 12
- President's Sustainability Commission meeting, Nov 15
- Triunfo Mentoring Program, 2:50 PM, B302 NESB, Nov 18
- STEM Friday, Truscott Elementary School, Nov 19

October 2021

- STEM Friday, North Valley Middle School, Oct 1
- Triunfo Mentoring Program, 2:50 PM, B302 NESB, Oct 7
- STEM Friday, Fossil Ridge High School, Oct 8
- Teacher PD: Engaging Students with Authentic CSU STEM Experiences, 5-7:30 PM, B302 NESB, Oct 12
- CNS CEC Meeting at the NSEOC, Oct 14
- STEM Friday, South Valley Middle School, Oct 15
- GetWET, Front Range Community College, 2-5 PM, Oct 15
- President's Sustainability Commission meeting, Oct 18
- Spur K-12 programs discussion, Oct 19
- Triunfo Mentoring Program, 2:50 PM, B302 NESB, Oct 21
- CNS Department Leadership Meeting, Oct 22
- STEM Friday, Galetton Elementary School, Oct 29

September 2021

- CNS Picnic, Sep 2
- Spur K-12 Working Group, Sep 3
- Triunfo Mentoring Program Orientation, 3:00 PM, B302 NESB, Sep 9
- Teacher PD: Engaging Students with Authentic CSU STEM Experiences, 5-7:30 PM, B302 NESB, Sep 14
- CNS CEC Meeting with tour, A304 NESB, 1- 3 PM, Sep 16
- Triunfo Mentoring Program Orientation, 3:00 PM, B302 NESB, Sep 16
- President's Sustainability Commission meeting, Sep 20
- Triunfo Mentoring Program, 2:50 PM, B302 NESB, Sep 23
- STEM Friday, Lincoln Middle School, Sep 24

August 2021

- Spur K-12 Working Group, Aug 6
- President's Sustainability Commission meeting, Aug 16
- RamWelcome BSNS Major welcome by NESB waterfall, 1 PM, Aug 20
- NSCI 280A2 Scientific Inquiry in Educational Settings course begins! Aug 27

July 2021

- Energy Week, Boys and Girls Club, Powerhouse Campus, Jul 1

June 2021

- Spur K-12 Working Group, Jun 4
- NSEOC Picnic, Roland Moore Park, 11:30 am, Jun 10
- SciTrek Summer Camp, cancelled for 2021 due to pandemic
- SummerVet Summer Camp, cancelled for 2021 due to pandemic
- Energy Week, Boys and Girls Club, Powerhouse Campus, Jun 30

May 2021

- International Science and Engineering Fair, May 3 – 6
- Front Range Community College NRE Advisory Board, May 12
- President's Sustainability Commission meeting, May 17

April 2021

- Colorado Science and Engineering Fair, virtual, Apr 8
- President's Sustainability Commission meeting, Apr 19

March 2021

- GetWET, Front Range Community College, Mar 5
- STEM Advisory Board, Fossil Ridge High School, Mar 11
- President's Sustainability Commission meeting, Mar 15

February 2021

- Karina Hassell's first day!
- IACUC Inspection, Feb 2
- Going Viral kit trial run, Feb 19
- Longs Peak Science and Engineering Fair, virtual, Feb 24

January 2021

- CSEF Board of Director's meeting, Jan 9
- President Sustainability Commission retreat, Jan 11
- CEP Faculty retreat, Jan 12

December 2020

- ISEF Affiliated Fair Planning Committee meeting, Dec 9
- CEP Faculty meeting, Dec 9
- Spur Water Pilar meeting, Dec 14

November 2020

- GetWET, Front Range Community College, Nov 2
- GetWET, CSU Science Methods Class, Nov 4
- CNS Advising Network meeting, Nov 6
- CSEF Board of Director's meeting, Nov 7
- ISEF Affiliated Fair Director meeting, Nov 9
- CEP Faculty meeting, Nov 11
- Virtual Colorado Science Conference, Nov 14
- President's Sustainability Commission meeting, Nov 16
- ISEF Display & Safety Executive Committee meeting, Nov 17
- ISEF State Fair Director meeting, Nov 19

October 2020

- CEP Faculty meeting, Oct 14
- President's Sustainability Commission meeting, Oct 19

September 2020

- CNS Advising Network meeting, Sep 4
- CSEF Board of Director's meeting, Sep 12
- CSEF Regional Fair Director's meeting, Sep 18
- President's Sustainability Commission meeting, Sep 21
- CEP Faculty meeting Sep 23
- ISEF Display & Safety Executive Committee meeting, Sep 29

August 2020

- President's Sustainability Commission meeting, Aug 17

July 2020

- Bees, Please! STEM Kit at the Gardens on Spring Creek, Jul 14
- President's Sustainability Commission meeting, Jul 20

June 2020

- President's Sustainability Commission meeting, Jun 15
- SciTrek & Summer Vet Summer Camps, Jun 22-26 (canceled due to pandemic)
- 4-H Forum, Solar Cars, Jun 24 (canceled due to pandemic)

May 2020

- Honors Thesis Defense - Delaney Worthington, May 1 (virtual)
- STEM Friday, Highland Middle School, May 1 (canceled due to pandemic)
- GetWET, Rocky Mountain High School, May 7 and 8 (canceled due to pandemic)
- STEM Friday, Truscott Elementary School, May 8 (canceled due to pandemic)
- GetWET, Rocky Mountain High School, May 14 and 15 (canceled due to pandemic)
- Regeneron ISEF, May 18-22 (virtual, non-competitive)
- President's Sustainability Commission meeting, May 18

April 2020

- Colorado Science and Engineering Fair, Apr 2 (virtual)
- STEM Friday, CSEF Participants, Apr 3 (canceled due to pandemic)
- STEM Friday, Centaurus High School, Apr 10 (canceled due to pandemic)
- STEM Friday, Boltz Middle School, Apr 17 (canceled due to pandemic)
- President's Sustainability Commission meeting, Apr 20
- CURC, Apr 21 (virtual)
- NSEOC's 10th Anniversary Celebration (postponed due to pandemic)
- STEM Friday, Wellington Middle School, Apr 24 (canceled due to pandemic)
- National Western Complex - Spur Groundbreaking in Denver, Apr 30 (postponed due to pandemic)

March 2020

- STEM Friday, Valley High School, Mar 6
- STEM Friday, Mountain Sage Community School, Mar 13 (canceled due to pandemic)
- President's Sustainability Commission meeting, Mar 16 (canceled due to pandemic)
- STEM Friday, Eyestone Elementary School, Mar 27 (canceled due to pandemic)

February 2020

- National Western Complex - Spur meeting, Feb 6
- President's Sustainability Commission meeting, Feb 17
- CSEF Mock Interviews, Feb 17
- STEM Friday, Knowledge Quest Academy & Milliken Middle Schools, Feb 21
- Longs Peak Regional Science and Engineering Fair, Greeley, Feb 26
- STEM Friday, Northridge High School, Feb 28

January 2020

- Triunfo Mentor Orientation, Jan 23
- President's Sustainability Commission, Jan 27
- Triunfo Begins, Jan 30

December 2019

- STEM Friday, Eaton Middle School, Dec 6
- STEM Friday, Leshar Middle School, Dec 13
- President's Sustainability Commission meeting, Dec 16

November 2019

- STEM Friday, Lincoln Elementary School, Nov 1

- Colorado Science Conference, Denver, Nov 8
- National Association for Interpretation, Denver, Nov 12-16
- President's Sustainability Commission meeting, Nov 18
- STEM Friday, Prairie Heights Middle School, Nov 22

October 2019

- STEM Friday, Briggsdale School, Oct 4
- GetWET, Rocky Mountain High School, Oct 8 - 9
- STEM Friday, Lincoln Middle School, Oct 11
- GetWET, Rocky Mountain High School, Oct 15
- STEM Friday, Ferguson High School, Oct 18
- GetWET, Front Range Community College, Oct 21
- President's Sustainability Commission meeting, Oct 21
- EOC/Sigma Xi Keynote Event: STEM in the Gardens, Ashley Young, Oct 22
- STEM Friday, Webber Middle School, Oct 25

September 2019

- President's Sustainability Commission meeting, Sep 16
- Convening Conversations, CSU Denver, Sep 17
- Triunfo Mentor Orientation, 3:00 - 4:00, Sep 19
- Triunfo Begins, Sep 26

August 2019

STEAM Roundtable, Aug 12
 CNS New Faculty Welcome Event, Aug 20
 RamWelcome, Aug 23
 President's Sustainability Commission, Aug 26

July 2019

Bridge Scholars: GetWET, Jul 1

June 2019

SciTrek & SummerVet summer camps, Jun 17-21.
 4-H Forum Participants: Solar Cars, Jun 19.
 Upward Bound: GetWET and Groundwater Models, Jun 26

May 2019

STEM Friday, Timberline PK-8 School, May 3
 GetWET, Rocky Mountain High School, May 9
 ISEF, Phoenix, May 10-17
 Fossil Ridge High School STEM Academy Presentations, May 22

April 2019

STEM Friday, Ferguson High School, Apr 5
Colorado Science and Engineering Fair, LSC, Apr 11-13
STEM Friday, CSEF Participants, Apr 12
Journey Through Space and Time in 3D, Apr 12
"Plankton to Plastic Pollution," CURC, Apr 15
GetWET, Rocky Mountain High School, Apr 18 - 19
STEM Friday, Greeley Central High School, Apr 19
Earth Week Event: "Plankton to Plastic Pollution," 1:00- 2:30 pm, Apr 24
EOC/Sigma Xi Spring Event, "High-Tech Rocks!", 4 - 6 pm, Apr 24
GetWET, Rocky Mountain High School, Apr 26
STEM Friday, Blevins Middle School, Apr 26
GLOBE Earth System Science Collaborative meeting, Boulder, Apr 29

March 2019

STEM Friday, Centaurus High School, Mar 1
GetWET, Front Range Community College, Mar 4
NPS webinar: "Park Science STEM Education Kits: Water Science at Kaloko-Honokokau Ice Cores and Permafrost in Alaska," Mar 6
STEM Friday, Aspen Ridge Prep School, Mar 8
GLOBE, Earth System Science Collaborative meeting, Boulder, Mar 7
STEM Friday, Truscott Elementary School, Mar 15
VPR Broader Impacts session for CAREER Proposals, 1- 3 pm, LSC 386, Mar 28
STEM Friday, Greeley West High School, Mar 29

February 2019

Mock Science Fair Interview Support Session, 4-5:30 pm, Feb 5
Longs Peak Science and Engineering Fair, Greeley, Feb 13
Denver Metro Regional Science and Engineering Fair, Feb 15
STEM Friday, Cache La Poudre Middle School, Feb 15
STEM Friday, Turner Middle School, Feb 22

January 2019

ISEF Display and Safety meeting, Orlando, Jan 5-6
EOC Staff Meeting, Jan 22
Triunfo orientation, 4 pm, B302 NESB, Jan 24
Triunfo resumes, Jan 31

December 2018

STEM Friday, PSD Global Academy, Dec 7
President's Sustainability Commission meeting, Dec 17

November 2018

STEM Friday, Severence Middle School, Nov 2
Colorado Science Conference, Denver Mart, Nov 9.
Kaloko-Honokohau Cultural Festival, Kona, Nov 11-17.

EOC/Sigma XI Fall Presentation: "Science Fair" Film screening and panel discussion, 4 - 6 pm, Nov 27

STEM Friday, Lincoln Middle School, Nov 30

October 2018

GetWET: Compass Community Collaborative School, Oct 3

STEM Friday, Eaton Middle School, Oct 5

GetWET: Roosevelt High School & Science Methods, Oct 8

STEM Friday, Valley High School, Oct 12

President's Sustainability Commission meeting, Oct 15

National Western Water Resources Center Design Workshop 3, Oct 16-17

STEM Friday, Estes Middle School, Oct 19

GetWET: Front Range Community College, Oct 22

STEM Friday, Roosevelt High School, Oct 26

Sigma Xi Annual Conference, San Francisco, Oct 25-27.

September 2018

Triunfo Mentor Orientation, 4:00 pm, B302 NESB, Sep 6

CEP Meeting at EOC, Sep 12

STEM Friday: Briggsdale School, Sep 14

Triunfo begins, Sep 20

President's Sustainability Commission meeting, Sep 17

National Western Water Resources Center Design Workshop 2, Sep 18-19

STEM Friday, Windsor Charter Academy, Sep 21

GLOBE Meeting at EOC, Sep 24

STEM Friday, Millikin Middle School, Sep 28

August 2018

National Western Water Resources Center Design Kickoff, Denver, Aug 16

RamWelcome, Aug 17

Compass orientation, Aug 23

Triunfo stakeholder meeting, Aug 23

Compass orientation, Aug 27

National Western Water Resources Center Design Workshop 1, EOC, Aug 28-29

Compass orientation, Aug 29

Triunfo Mentor Orientation, 4:00 pm, B302 NESB, Aug 30

July 2018

President's Sustainability Commission Retreat, Tamasag, Jul 6.

June 2018

SciTrek / Summer Vet, Jun 18-22.

Solar Cars, 4-H Conference participants, Jun 20

May 2018

Mead High School Energy Academy Ribbon Cutting, Longmont, May 1
Scientific Computer Modeling workshop for National Science Olympiad Participants, May 18
Fossil Ridge High School STEM Academy presentations, May 22
Rotary STEMergize Me! presentation, Leshar Middle School, May 23-24

April 2018

Colorado Science & Engineering Fair, Apr 5-7
CSEF Guest Speaker: Jane McAllister from the Center for Disease Control, Apr 6
STEM Friday, Liberty Common Middle School, Apr 13
STEM Friday, Putnam Elementary School, Apr 20
Science Education Symposium, University of Northern Colorado MAST Institute, Greeley, Apr 2
STEM Friday, Wellington Middle School, Apr 27. (cancelled due to teacher walk-out)

March 2018

STEM Friday, Highland High School, Mar 9
STEM Friday, Bacon Elementary School, Mar 23
STEM Friday, Polaris Expeditionary School, Mar 30

February 2018

Get Energized! STEM Kit presentation, Roosevelt High School, CSU Powerhouse, Feb 9
Longs Peak Science and Engineering Fair, Greeley, Feb 13
Get Energized! STEM Kit presentation, Gilcrest Elementary School, CSU Powerhouse, Feb 16
STEM Friday, Webber Middle School, Feb 23

January 2018

Vital Ice STEM Kit presentation, National Park Service Headquarters, Jan 9
National Western Water Resource Center meeting, Denver Water, Jan 30

December 2017

STEM Friday, Walt Clark Middle School, Dec 1

November 2017

National Ice Core Lab Visit, Nov 1
GLOBE meeting, Nov 2
STEM Friday, Letford Elementary School, Nov 3
STEM Friday, Leshar Middle School, Nov 10
PSD School Board Meeting: Compass Community Collaborative School, Nov 14
Blevins Middle School Science Fair Judging, Nov 15
Colorado Science Conference booth, Denver, Nov 17

October 2017

Math-Science-Tech Day, Oct 4
STEM Friday, Boltz Middle School, Oct 6
EOC/Sigma Xi Fall Keynote Event: "Neglected Perspectives on Science and Religion: Historical and Contemporary Relations," Dr. Wayne Viney, Oct 9
STEM Friday, Valley High School, Oct 13
Homecoming Festival booth, Oct 13
GetWET, Front Range Community College, Oct 18
STEM Friday, Westview Middle School, Oct 20
PSD School Board Meeting: Compass Community Collaborative School, Oct 24
STEM Friday, Roosevelt High School, Oct 27

September 2017

Compass Community Collaborative School Showcase, Sep 1
GLOBE meeting at UCAR in Boulder, Sep 12
Triunfo Fund Raiser at Café Mexicali, Sep 12
4-H State STEM Director Search Committee Interviews, Sep 13-14
National Western Education Committee meeting, Sep 13
GetWET, Roosevelt High School w/EDUC460 students, Sep 27
STEM Friday, Briggsdale School, Sep 29

August 2017

National Western Education Committee meeting, Aug 1
CSU Community Open House, Aug 5
4-H STEM Search Committee meeting, Aug 14
Ram Welcome, Aug 18
Total Solar Eclipse, Aug 21
Rotary Club meeting, Aug 23
Triunfo Mentoring Program Stakeholder meeting, Aug 24
National Park Service meeting, Aug 25
Dendrochronology meeting w/US Forest Service, Aug 25

July, 2017

National Association of Biology Teachers Professional Development Workshop, Jul 10-14
Alaska Expedition: Denali and Kenai Fjords National Parks, Jul 19-28
Engaging Alaska Youth in STEM and Community Resilience, University of Alaska, Fairbanks, Jul 20-22

June 2017

Get Critical! STEM Kit, Arvada Middle School, Jun 8
SciTrek/Summer Vet Summer Camps, Jun 19-23
GLOBE NoCo meeting, UCAR in Boulder, Jun 23
Vital Ice STEM Kit presentation, Compass High School, Jun 27

May 2017

FoCo Gear Library meeting, May 8

EOC/Sigma Xi Spring Keynote Event: "Secrets of the Marmot STEM Kit" Dr. Greg Florant, May 9

FRCC Advisory meeting, May 9

Rotary STEM Energize Me! School visit, Cache La Poudre Middle School, May 19

Anchailine Pool STEM Kit presentation, Polaris High School, May 22

April 2017

VPR Broader Impacts Panel presentation, Apr 4

CNS Tech Fee Committee meeting, Apr 5

Colorado Science & Engineering Fair, Apr 6-8

CSEF Guest Speaker: David Auchsmith from University of Washington

STEM Friday, Cheyenne South High School, Apr 14

STEM Friday, Highland Middle School, Apr 21

STEM Friday, Blevins Middle School, Apr 28

Rotary STEM Energize Me! School visit, Blevins Middle School, Apr 28

March 2017

Rotary STEM Energize Me! School visit, Harris Elementary School, Mar

GetWET: Front Range Community College, Mar 8

STEM Friday, Colorado Early College Middle School, Mar 24

Rotary STEM Energize Me! School visit, Leshar Middle School, Mar 24

STEM Friday, Eyestone Elementary School, Mar 31

February 2017

Mock Science Fair Interview Support Session, Feb 7

STEM Friday, Greeley West High School, Feb 10

Longs Peak Science & Engineering Fair, Greeley, Feb 14

STEM Friday, Kinard Core Knowledge Middle School, Feb 17

STEM Friday, Polaris Lab School, Feb 24

Ram Academy meeting, Feb 28

January 2017

Rotary Club meeting, Jan 11

CSEF Board of Directors meeting, Louisville, Jan 14

CSU STEM Center Meet & Greet, Jan 17

Roosevelt High School STEM Presentation, Jan 19

Rotary Club STEM Kit Training Session, Jan 28

December 2016

STEM Friday, Walt Clark Middle School, Dec 2

November 2016

STEM Friday, McGraw Elementary School, Nov 4

STEM Friday, Cache La Poudre Middle School, Nov 11
CSEF Advisory Council & Board of Directors meeting, Nov 12
Blevins Middle School Science Fair Judging, Nov 15
Science Fair presentation, Roosevelt High School, Nov 16
Colorado Science Conference booth, Denver, Nov 18

October 2016

Math-Science-Tech Day, Oct 5
Geology of Lory State Park presentation, Poudre Global Academy, Oct 6
STEM Friday, Fort Collins Montessori School, Oct 7
Homecoming Festival booth, Oct 7
EOC/Sigma Xi Fall Keynote Event: "Communicating Science: How to Connect Science to the Public", Katherine Courage, Oct 11
Reading the Rocks at Lory State Park presentation, Blevins Middle School, Lory State Park, Oct 12-13
GetWET, Rocky Mountain High School, Oct 18
GetWET, Rocky Mountain High School, Oct 20
GetWET, Roosevelt High School w/EDUC460 students, Oct 21
Girls in STEM Day presentation, Denver, Oct 22
St. Vrain School District STEM visit, Oct 27
STEM Friday, PSD Global Academy, Oct 28

September 2016

Phillips County Pre-Health Fair presentation, Holyoke, Sep 7-8
CSEF Regional Fair Directors & Board of Directors meeting, Golden, Sep 10
STEM Friday, Roosevelt High School, Sep 16
Triunfo Mentoring Program begins, Sep 22
STEM Friday, Briggsdale School, Sep 23
Best of Both Worlds Conference, Estes Park, Sep 26-28
STEM Friday, Eaton Middle School, Sep 30

August 2016

Get Critical! STEM Kit presentation Brush High School, Aug 4
UNESCO Biosphere Reserve Workshop, Estes Park, Aug 16
Triunfo Mentoring Program Stakeholder meeting, Aug 17
Ram Welcome, Aug 19

July 2016

National Association of Biology Teachers Professional Development Workshop, Jul 11-15
GLOBE Annual Conference, Estes Park, Jul 17-20
CSEF Board of Directors retreat, Pueblo, Jul 22-23

June 2016

Rotary Club STEM Kit presentation, Jun 1

Sustainable Chemistry online course, Jun 13-Aug 5
NWSS Water meeting, Jun 16
SciTrek/SummerVet Summer Camps, Jun 20-24

May 2016

GetWET, Rocky Mountain High School, May 2
GetWET, Rocky Mountain High School, May 3
Rotary Club STEM Kit presentation, May 4
GetWET, Rocky Mountain High School, May 5
Intel International Science & Engineering Fair, Phoenix, AZ, May 8-13
EOC/Sigma Xi Spring Keynote Event: "Small Fish, Big Questions STEM Kit," May 17
Fossil Ridge High School STEM Capstone Project Presentations, May 26

April 2016

STEM Friday, Loveland High School, Apr 1
NSF CAREER/Broader Impacts Panel Discussion, Apr 4
Colorado Science & Engineering Fair, Apr 7-9
CSEF Guest Speaker: Dr. Joel Parker from New Horizons Mission to Pluto
STEM Friday, Linton Elementary School, Apr 15
Reading the Rocks at Lory State Park presentation, Cache La Poudre Middle School, Lory State Park,
Apr 21
STEM Friday, Blevins Middle School, Apr 22
GetWET, Roosevelt High School w/EDUC460 students, Apr 25
STEM Friday, Windsor Middle School, Apr 29

March 2016

GetWET, Front Range Community College, Mar 2
STEM Friday, Polaris Lab School, Mar 4
NPS Short Course, Mar 8-11
STEM Friday, Cache la Poudre Middle School, Mar 11
STEM Friday, Wellington Middle School, Mar 25
Bohemian Foundation/PSD Group Discussion, Mar 31

February 2016

Mock Science Fair Interview Support Session, Feb 15
CNS CEC Meeting presentation, Feb 18
STEM Friday, Highland High School, Feb 19
Longs Peak Science and Engineering Fair, Greeley, Feb 23
STEM Friday, Greeley West High School, Feb 26

January 2016

NWSS Water Tower Design Charrette, Denver, Jan 6
President's Sustainability Committee retreat, Jan 14

FRCC NRE Advisory meeting, Jan 15
CSEF Board of Directors meeting, Morrison, Jan 9
Math-Science-Tech Day retreat, Jan 20
Roosevelt High School STEM Advisory meeting, Jan 20

December 2015

STEM Friday, Tavelli Elementary School, Dec 4
STEM Friday, Walt Clark Middle School, Dec 11

November 2015

Bohemian Foundation Open House, Nov 2
STEM Friday, Eaton Middle School, Nov 6
CSEF Advisory Council & Board of Directors meeting, Nov 7
Fort Collins Museum of Discovery/CSU Partnership Celebration, Nov 10
STEM Friday, Severence Middle School, Nov 13
Colorado Science Conference booth, Denver, Nov 20

October 2015

STEM Friday, Bennett Elementary School, Oct 2
GetWET, Rocky Mountain High School, Oct 5
EOC/Sigma Xi Fall Keynote Event:, "Coordinating and Mentoring Student Scientific Research," Dr. Paul Strode, Oct 6
Math-Science-Tech Day, Oct 7
GetWET, Rocky Mountain High School, Oct 8
STEM Friday, Leshner Middle School, Oct 9
GetWET, Rocky Mountain High School, Oct 12
GetWET, Rocky Mountain High School, Oct 13
GetWET, Front Range Community College, Oct 15
STEM Friday, Rice Elementary School, Oct 23
Bohemian Foundation Focus Group meeting, Oct 29
STEM Friday, Roosevelt High School, Oct 30

September 2015

CSEF Regional Fair Directors & Board of Directors meeting, Golden, Sep 12
GetWET, Preston Middle School Sustainability Club, Sep 24
Colorado Council of Teachers of Mathematics Conference, Denver, Sep 25

August 2015

Soil Carbon Teacher Professional Development Workshop, CSU Mountain Campus, Aug 4
Ram Welcome, Aug 21.

July 2015

SimSTEM Users Group meeting, Jul 8
GetWET, Upward Bound, Jul 14

STEM Lab Denver SAFE Program presentation, Jul 20
CSEF Board of Directors retreat, Grand Junction, Jul 24-25
Get Critical! STEM Kit presentation, Brush High School, Jul 30
RET Workshop presentation, "Get Critical! STEM Kit", Jul 31

June 2015

Every Drop Counts, Mini Water Conference, Kaloko-Honokohau National Historical Park, Kona, HI, Jun 7-9
SciTrek / Summer Vet Summer Camps, Jun 22-26

May 2015

STEM Friday, Lucile Erwin Middle School, May 1
GetWET, Rocky Mountain High School, May 7
Intel International Science & Engineering Fair, Pittsburgh, PA, May 10-15
GetWET, Rocky Mountain High School, May 11
SimSTEM Users Group meeting, May 13
SimSTEM Users Group meeting, May 26

April 2015

SimSTEM Users Group meeting, Apr 4
Colorado Science & Engineering Fair, Apr 9-11
CSEF Guest Speaker: Steve Struma from Bayswater Exploration & Production
STEM Friday, Lab School, Apr 17
SimSTEM Users Group meeting, Apr 18.
STEM Friday, Cache La Poudre Elementary School, Apr 24
SimSTEM Users Group meeting, Apr 27

March 2015

STEM Friday, Poudre High School, Mar 6
STEM Friday, Wellington Middle School, Mar 13
STEM Friday, Ponderosa Elementary School, Mar 27

February 2015

STEM Friday, Riffenburg Elementary School, Feb 13
EOC/Sigma Xi Spring Keynote Event: "Einstein's Light: Illuminating how Imagination and Innovation Advance the World," Nickolas Barris, Bruce Adolphe, Emily Ondracek-Peterson, & Michael Shull, Feb 16
STEM Friday, Walt Clark Middle School, Feb 20
STEM Friday, Brentwood Middle School, Feb 27

January 2015

CSEF Board of Directors meeting, Morrison, Jan 10
Fort Collins Museum of Discovery meeting, Jan 21

Roosevelt High School STEM Advisory Board meeting, Jan 21
ISEF Display & Safety Committee meeting, Las Vegas, NV, Jan 23-25

December 2014

STEM Friday, Preston Middle School, Dec 5

November 2014

Sigma Xi Annual meeting, Glendale, AZ, Nov 6-9
STEM Friday, Bauder Elementary School, Nov 7
STEM Friday, Lucile Erwin Middle School, Nov 14
CNS Dean's Office retreat, Nov 14
Dr. Robert Goodman visit, Nov 19
Colorado Science Conference booth, Denver, Nov 21

October 2014

GetWET, Front Range Community College, Oct 1
STEM Friday, Roosevelt High School, Oct 3
Modeling Biological Systems Using NetLogo Teacher Professional Development Workshop, Oct 4
EOC Advisory Board meeting, Oct 6
Math-Science-Tech Day, Oct 8
STEM Friday, Harris Elementary School, Oct 10
EOC Five-Year Review Site Visit, Oct 14-15
EOC/Sigma Xi Fall Keynote Event: "The Zoo's Role in Inspiring Science Students," Ms. Dana Murphy, Oct 14
Reading the Rocks at Lory State Park presentation, Blevins Middle School, Lory State Park, Oct 16
Homecoming Festival booth, Oct 17
EDUC460 presentation, Oct 22
STEM Friday, Linton Elementary School, Oct 24
CSEF Board of Directors meeting, Oct 28
CSEF Reception, Oct 28
STEM Friday, Blevins Middle School, Oct 31

September 2014

Inaugural STEM Educators Club Meeting, Sep 9
CSEF Advisory Council, Regional Fair Directors & Board of Directors meeting, Golden, Sep 13
Triunfo Mentoring Program begins, Sep 18
GetWET, Rocky Mountain High School, Sep 23
GetWET, Roosevelt High School, Sep 25
STEM Friday, McGraw Elementary School, Sep 26
GetWET, Rocky Mountain High School, Sep 30

August 2014

GetWET, Rocky Mountain High School, Aug 5

CAM Jam!, Highlands Ranch, Aug 16
Ram Welcome, Aug 22
STEM Friday, Kagawa University, Aug 29

July 2014

CSEF Board of Directors retreat, Alamosa, Jul 11-12

June 2014

SciTrek/Summer Vet Summer Camps, June 23-27

May 2014

STEM Friday, Energy Science & Policy Students from Grand Junction, May 2
GetWET, Roosevelt High School, May 6
Get Energized! STEM Kit presentation, Pioneer Ridge Elementary School, Johnstown, May 20

April 2014

STEM Friday, Cache La Poudre Elementary, Apr 4
Colorado Science & Engineering Fair, Fort Collins Hilton, April 10-13
CSEF Guest Speaker: Dr. Walt Meier from NASA Goddard Space Flight Center, Apr 11
Energy Education Tour for Energy Institute, Apr 17
STEM Friday, Windsor Middle School, Apr 18
EOC/Sigma Xi Spring Keynote Event "Scratch, Pong on a Pico", Dr. Jaime Ruiz, Apr 2
STEM Friday, McGraw Elementary School, Apr 25

March 2014

STEM Friday, Bauder Elementary School, Mar 7
Every Drop Counts Teacher Professional Development Workshop, Kaloko-Honokohau National
Historical Park, Kona, HI, March 22
STEM Friday Severance Middle School, Mar 28
Evolution Teacher Professional Development Workshop, Mar 29

February 2014

STEM Friday, Leshner Middle School, Feb 14
Mock Science Fair Interview Support Session, Feb 17
CSEN meeting, Greeley, Feb 20
STEM Friday, Putnam Elementary School, Feb 21
STEM Friday, Roosevelt High School, Feb 28

January 2014

CSEF Regional Fair Directors & Board of Directors meeting, Denver, Jan 11

December 2013

STEM Friday, Tavelli Elementary School, Dec 6
FRCC NRE Advisory Committee meeting, Dec 10
National Science Teachers Association Conference booth, Denver, Dec 12-14

November 2013

STEM Friday, McGraw Elementary School, Nov 1
CSEF Advisory Council & Board of Directors meeting, Nov 2
STEM Friday, Wellington Middle School, Nov 8
STEM Friday, Brentwood Middle School, Nov 15
Every Drop Counts Workshop Follow-up, Kaloko-Honokohau National Historical Park, Kona, HI, Nov 18-23

October 2013

GetWET, Rocky Mountain High School, Oct 1
GetWET, Rocky Mountain High School, Oct 3
STEM Friday, Roosevelt High School, Oct 4
INTELAC Day, Oct 5
Math-Science-Tech Day, Oct 9
GetWET, Rocky Mountain High School, Oct 10
Homecoming Festival booth, Oct 11
STEM Friday, Roosevelt High School, Oct 18 (cancelled due to snow)
CMMAP Climate Conference presentation, Oct 19
STEM Friday, Poudre Community Academy, Oct 25

September 2013

Laurel Elementary School & Harris Elementary School Administration meeting, "Triunfo Mentoring Program", Sep 3
ISTeC Steering Committee meeting, Sep 4
CSEN meeting, Boulder, Sep 6
CSEF Board of Directors meeting, Golden, Sep 7
Triunfo Mentoring Program begins, Sep 19
EOC/Sigma Xi Fall Keynote Event: "Interpretive Solutions", Mike Whatley, Sep 24

August 2013

World Window presentation, Soaring Eagle Environmental Center, Aug 3
Boettcher Scholar Event, Denver Botanical Gardens, Aug
Roosevelt High School STEM Academy meeting, Aug 8
Ram Welcome, Aug 23

June 2013

Every Drop Counts: Water Science for Teachers Workshop, Jun 10-14
SciTrek/Summer Vet Summer Camp, Jun 24-28

July 2013

CSEF Board of Directors retreat, Alamosa, Jul 19-20
GetWET, Fort Collins Utilities Plant One, Jul 31

May 2013

Grand Junction's Energy Science & Policy Class visit, May 2-3
Energy, the Environment and Transportation Workshop presentation (VEEP), May 4
STEM Friday, Harris Elementary School, May 10
Intel International Science & Engineering Fair, Phoenix, AZ, May 12-17
Citizen Science Meeting, Fort Collins Museum of Discovery, May 29
Tavelli Elementary School Graduation Speaker, May 31

April 2013

EDUC460 presentation, Apr 3
CSEN meeting, Apr 4
Girls Exploring STEM presentation, Denver, Apr 5
GetWET, EDUC460 class, Apr 8
Colorado Science & Engineering Fair, Apr 11-13
CSEF Guest Speaker: Brian Jones, Apr 12
Energy, the Environment and Transportation Workshop presentation (VEEP), Apr 14
National Council of Teachers of Mathematics Annual Conference, Denver, Apr 17-20
STEM Friday, Roosevelt High School, Apr 19
GetWET, Olander Elementary School, Apr 24 (cancelled due to snow)
Weather & Science Day, Colorado Rockies, Denver, Apr 24
SWITCH Screening, Apr 24
STEM Friday, Cache La Poudre Middle School, Apr 26
Energy, the Environment and Transportation Workshop presentation (VEEP), Apr 27
GetWET, Rocky Mountain High School, Apr 29-30

March 2013

Energy, the Environment and Transportation Workshop presentation (VEEP), Mar 9
George Wright Society Conference, Denver, Mar 11-12
Fred Cachola visit, Mar 14
EOC/Sigma Xi Spring Keynote Event: "Scientific Illustration 101: Tips and Tricks from the Pros for Creating Science Notebooks", Dr. Stephen Thompson & Gary Raham, Mar 27
World Water Day School visits, Olander Elementary School, Mar 27
World Water Day School visits, Bennet Elementary School, Mar 29

February 2013

Northern Colorado Regional Science Bowl, Feb 2
Mock Science Fair Interview Support Session, Feb 4
Noyce Scholar Support meeting, Feb 4
STEM Center Advisory meeting, Feb 7

CSEN Meeting Host, Feb 13

Longs Peak Regional Science Fair, Feb 19

Math-Science Partnership Teacher Professional Development Soil/Fire Workshop presentation, Feb 23

January 2013

CSEF Regional Fair Director & Board of Directors meeting, Denver, Jan 19

CSEN meeting, UCAR in Boulder, Jan 28

December 2012

Blevins Middle School Science Fair Judging, Dec 5

St. Joseph's Catholic School Science Fair Judging, Dec 5

STEM Center Advisory Board meeting, Dec 7

FRCC Forestry, Wildlife and Natural Resources Advisory Committee meeting, Dec 10

Denver Museum of Nature & Science & Smithsonian Laser Program meeting, Dec 14

November 2012

CSEF Advisory Council & Board of Directors meeting, Nov 3

Extension Forum meeting, Nov 6

Smithsonian Institution and Denver Museum of Nature and Science visit, Nov 6

Extension Forum meeting, Nov 8

Fort Collins Museum of Discovery Ribbon Cutting, Nov 10

Colorado Science Convention, Denver, Nov 16

Soaring Eagle Ecology Center meeting, CIRA, Nov 28

October 2012

Kagawa University MOU Signing Ceremony, Oct. 1

Math-Science-Tech Day, Oct. 3

4-H Youth Day meeting, Oct. 10

GetWET, Rocky Mountain High School, Sep 15

GetWET, Rocky Mountain High School, Sep 16

Funzeleo: Hands-on Science in Africa meeting, Oct 17

Sigma Xi Initiation Dinner with Bill Ritter, Fort Collins Brewery, Oct 17

CSEN meeting, Butterfly Pavilion, Oct 22

BSNS Advisee meeting, Oct 23

EDUC460 presentation, Oct 24

EOC/Sigma Xi Fall Keynote Event: "Reaching for the Stars: Community Based Space Science", Dr. Andrea Schweitzer, Oct. 24

Global Climate Change Conference presentation, "Get Energized! STEM Kit and Regenerate STEM Kit", Oct 29

Noyce Scholar Support meeting, Oct 30

September 2012

Japanese Science Education Student visit, Poudre Canyon, Sep 4
Phunky Phenology Citizen Science Workshop, Gardens on Spring Creek, Sep 14
CSEF Advisory Council & Board of Directors meeting, Denver, Sep 15
Noyce Scholar Support meeting, Sep 17
Triunfo Mentoring Program begins, Sep 20
UC Denver STEM Summit, Sep 25
CSEN meeting, Denver Museum of Nature & Science in Denver, Sep 27
GetWET, Front Range Community College, Sep 28

August 2012

Ram Welcome, Aug 17
Phunky Phenology Citizen Science Workshop, Fort Collins Utilities, Aug 23
STEM Center Advisory Committee meeting, Aug 31

July 2012

Phunky Phenology Citizen Science Workshop, Gardens on Spring Creek, Jul 10
CSEF Board of Directors retreat, Alamosa, Jul 13-14
Phunky Phenology Citizen Science Workshop, Gardens on Spring Creek, July 16
Energy, the Environment and Transportation Workshop presentation (VEEP), Jul 17-18
Energy, the Environment and Transportation Workshop presentation (VEEP), Jul 23-24
Phunky Phenology Citizen Science Workshop, Gardens on Spring Creek, Jul 31

June 2012

Preston STEM Institute, Star Power Class presentation, Jun 4-8
From the Ground Up Teacher Professional Development Workshop presentation, Poudre Learning Center, Greeley, Jun 11
Preparing Educators to Use Observation and Inquiry in the K-12 Classroom Teacher Professional Development Workshop presentation, Sylvan Dale Conference Center, Loveland, Jun 13-15
SciTrek/Summer Vet Summer Camps, Jun 18-22

May 2012

GetWET, Rocky Mountain High School, May 1
National Association of Interpretation Annual meeting, Kona, HI, May 5-13
Intel International Science & Engineering Fair, Pittsburgh, PA, May 13-18
STEM Academy Student presentations, Fossil Ridge High School, May 22
CSEF Teacher Professional Development Workshop, Otero Junior College, La Junta, May 25

April 2012

Colorado Science & Engineering Fair, Apr 5-7
CSEF Guest Speaker: Technology Transfer Office at CSU Ventures, Apr 6
Grand Junction's Energy Science & Policy Class visit, Apr 12-13
Cenergy Expo, Apr 18
CSEN meeting, Northglenn, Apr 19

Girls Exploring STEM presentation, "Get Energized! STEM Kit", Denver, April 20
STEM Revolution Event, Wildlife Experience, Denver, Apr 24
GetWET, Rocky Mountain High School, Apr 25
CNS CEC Meeting presentation, Apr 26
Teaching Outside the Box Conference, Loveland, Apr 28
GetWET, Rocky Mountain High School, Apr 30

March 2012

EOC/Sigma Xi Spring Keynote Event: "The Maker Faire Phenomenon and Engaging Students in STEM with eTextiles", Sparkfun, Mar 5
Kagawa University Colleagues visit, Mar 5-9
Roosevelt High School visit, Mar 20
Sustainable Opportunities Summit, Denver, Mar 21
EDUC 460 presentation, Mar 28

February 2012

Renewable Energy Demonstration Center Workshop presentation, "Get Energized! STEM Kit", McREL in Denver, Feb 4
ISEF Display & Safety Committee meeting, Orlando, FL, Feb 10-11
CSU Founders Day Celebration booth, Denver, Feb 10
Fort Collins Utilities Administration presentation, "Get Energized! STEM Kit" Feb 15
CSEN Meeting Host, Feb 16
Northern Colorado Regional Science Bowl, Poudre High School, Feb 18
Mock Science Fair Interview Support Session, Feb 20

January 2012

CSEF Regional Fair Directors & Board of Directors meeting, Denver, Jan 14
Barry Kluger-Bell visit, Jan 17
CSEN meeting, McREL in Denver, Jan 19
Fossil Ridge High School Clean Energy Academy Advisory Board meeting, Jan 20
Noyce Scholar Support meeting, Jan 23
National Park Service meeting, NPS Education & Outreach Office, Jan 25

December 2011

Plug into Nature meeting, Dec. 8

November 2011

NREL Visiting Committee meeting, Nov 1
CSEN meeting, USGS in Lakewood, Nov 3
CSEF Advisory Council & Board of Directors meeting, Nov 5
FRCC NRE Advisory Committee meeting, Nov 10
Preston Middle School Intel Award Celebration, Nov 10
Noyce Scholar Support meeting, Nov 16
Get Energized! STEM Kit, Cache La Poudre Middle School, Nov 16

Colorado Science Conference presentation, "The New CSU Get Energized! Science Kit", Denver, Nov 18
Blevins Middle School Science Fair Judging, Nov 30

October 2011

GetWET, Rocky Mountain High School, Oct 4
Phunkey Phenology Citizen Science Workshop, Oct 4
EDUC460 presentation, Oct 5
Math-Science Partnership Teacher Professional Development Workshop presentation, "Water", Oct 8
Math-Science-Tech Day, Oct 12
EOC/Sigma Xi Fall Keynote Event: "The Discovery of Snowmastodon", Dr. Kirk Johnson, Oct 20
Ideas & Resources to Support the Teaching of Evolution Teacher Professional Development Workshop, Oct 22

September 2011

Blevins Middle School Teacher meeting, Sep 7
NASA GSSE Cloudsat meeting, Sep 16
CSEF Board of Directors meeting, Denver, Sep 17
GetWET, Front Range Community College, Sep 20
GetWET, Front Range Community College, Sep 21
Triunfo Mentoring Program begins, Sep 22
CSEN meeting, University of Northern Colorado in Greeley, Sep 27
GetWET, Rocky Mountain High School, Sep 29
Blevins Middle School Science Fair Support Session, Sep 29

August 2011

CSU Extension Clean Energy Teacher Professional Development Workshop presentation, Aug 1
NASA Front Range Climate Education Teacher Workshop presentation, Aug 3-5
Laurel Elementary School, Harris Elementary School & Bauder Elementary School Administration meetings, "Triunfo Mentoring Program"

July 2011

Upward Bound, Jul 6
Little Shop of Physics Teacher Professional Development Workshop, Jul 11-12
Math Circles, Jul 15

June 2011

Math-Science Partnership Teacher Professional Development Workshop presentation, "From the Ground Up: Pathways to Environmental Literacy", Jun 6-10
SciTrek/Summer Vet Summer Camps, Jun 20-24

May 2011

Science Cafe, May 5
GetWET, Rocky Mountain High School, May 9 & 10

Intel International Science & Engineering Fair, Los Angeles, CA, May 9-13
CSEN Meeting, Boulder, May 18

April 2011

Colorado Science & Engineering Fair, Apr 7-9
CSEF Guest Speaker: Temple Grandin, Apr 8
Cenergy Expo, Apr 20
Get Energized! STEM Kit presentation, Fort Morgan High School, Apr 29

March 2011

LTER Schoolyard Children's Book Series Workshop, Boulder, Mar 1
Polar Experiences in 3-D presentation (with special guests Bob Faris and Phoenix Mourning-Star),
Mar 8
World Water Day, Mar 22
EDUC460 presentation, "Taking Inquiry Outdoors", Mar 23
Math-Science Partnership Teacher Professional Development Workshop presentation, "School Water
Budget", Mar 26
EOC/Sigma Xi Spring Keynote Event: "Is Science Education in Colorado on the Right Track?", Dr.
Nancy Kellogg, Mar 28

February 2011

Noyce Scholar Support meeting, Feb 1
NASA GCCE Teacher Professional Development Workshop presentation, NREL in Golden, Feb 2
Northern Colorado Regional Science Bowl, Feb 5
Mock Science Fair Interview Support Session, Feb 7
Blevins Middle School presentation, "Math Together: Get Ready for Algebra", Feb 11
CSEN Meeting Host, Feb 17
LTER Schoolyard Children's Book Series Workshop, Boulder, Feb 28

January 2011

CSEF Regional Fair Directors & Board of Directors meeting, Denver, Jan 8
NASA GCCE Teacher Professional Development Workshop presentation, NREL in Golden, Jan 12
ISEF Display & Safety Committee meeting, Las Vegas, NV, Jan 15

December 2010

CSEN Meeting, Denver Museum of Nature & Science in Denver, Dec 2

November 2010

Geological Society of America Conference presentation, "Research Experiences for Large Numbers of
Middle and High School Teachers and Their Students", Nov 2nd
Phunkey Phenology Citizen Science Workshop (with special guest Paul Meyers of Lincoln Middle
School)

STEM meeting w/Blevins Middle School, Preston Middle Schools & CSU School of Education, Nov 8
IU193 presentation, "Clean Energy Challenges World Window Show"
Groundwater Pollution Modeling presentation, Roosevelt High School, Nov 10
Groundwater Pollution Modeling presentation, Roosevelt High School, Nov 12
Germany (faculty & students) Delegation visit, Nov 12
Colorado Science Conference booth, Denver, Nov 19
CSEF Advisory Council & Board of Directors meeting, Nov 13
Science Fair Workshop for Students, Nov 29

October 2010

EOC Open House and Reception, Oct 4
EOC/Sigma Xi Fall Keynote Event: "Science for Everyone", Paul Doherty from the Exploratorium in San Francisco, Oct 4
CSU Early Childhood Center visit, "STEM Explorations in the Inquiry Zone", Oct 5
Science Fair Teacher Professional Development Workshop, Oct 5
Triunfo-Triumph Tutoring Program Open House (with special guest, Little Shop of Physics), Oct 7
STEMapalooza, Denver, Oct 8-9
El Centro Math-Science Tech Day 20th Anniversary, Oct 13
GetWET, Rocky Mountain High School, Oct 19
GetWET, Rocky Mountain High School, Oct 21
GetWET, Rocky Mountain High School, Oct 22
Phunkey Phenology Teacher Professional Development Workshop
Pollution Modeling and Climate Change World Window presentation, Roosevelt High School, Oct 28
GetWET, Polaris Middle School, Oct 29

September 2010

Fort Collins Discovery Museum Groundbreaking Ceremony, Sep 11
CSEF Board of Director's meeting, Sep 11
Blevins Middle School Science Teacher visit, "Field Equipment for Red Fox Meadows", Sep 16
GetWET, Front Range Community College, Sep 17
Committee on Teaching and Learning meeting, "Online Learning Management System Recommendations", Nov 20
Math-Science Partnership Program meeting, Sep 21-22
Bauder Elementary School Administration meeting, "Triunfo-Triumph Tutoring Program", Sep 22
Triunfo-Triumph Tutoring Program begins, Sep 23
Science & Math Teaching Center 40th Anniversary Open House, University of Wyoming, Sep 24

August 2010

Harris Elementary School & Putman Elementary School Administration meeting, "Triunfo-Triumph Tutoring Program", Aug 3
Ram Welcome, Aug 20
Laurel Elementary School Administration meeting, "Triunfo-Triumph Tutoring Program", Aug 27

July 2010

Sandia National Labs Teacher Professional Development Workshop presentation, "GetWET Science Park", Jul 1

Denver Botanical Gardens Administration meeting, Jul 13

June 2010

Math-Science Partnership Teacher Professional Development Workshop presentation, "From the Ground Up: Pathways Connecting Earth Systems", Jun 6-12

Geological Society of Minnesota visit, "Reading the Rocks at Lory State Park", Jun 16

SciTrek/Summer Vet Summer Camps, Jun 21-25
