

Waters of Kāne Clever Catch Game

This is a fun “ice breaker” style activity that can be used with a wide age range of students. The beach ball has three different sizes of white dots: small, medium and large that correspond to difficult, intermediate and easy questions.

Time Needed: 10 - 15 minutes

Grade Level: any

Materials Needed:

- Special made beach ball
- List of questions and answers

Game Set-Up:

Just inflate the beach ball.

Playing the Game:

1. Begin by tossing the beach ball to a student.
2. Ask the student to tell you the number closest to their right thumb.
3. Read the corresponding question from the laminated list.
4. Once they answer, they toss the ball to someone else in the class.
5. Repeat steps 2 – 5 for as long as you want.
