Where have the Waters of Kāne been?

1. Make a mark in the box of your starting station.
2. Roll the "dice".
3. If you rolled the same station you are at, make a mark in the box of that same station and roll again.
4. If you rolled a new station, draw a line from your current station to the new one, make a mark in the box of the new station and move to that station to roll that "dice".
