

**SciVet Summer Program  
2026 Student Code of Conduct Agreement**

I \_\_\_\_\_ agree to adhere by the following student code of conduct while participating in the SciVet Summer Program at Colorado State University.

**All Students:**

- ☐ I understand that the staff of the NSEOC recommends I be fully vaccinated and boosted by the start of the program.
- ☐ I will report any situation that makes me feel uncomfortable to an RA, TA or NSEOC staff member as soon as possible.
- ☐ I will treat university property with respect. I understand that I will be charged for any damage I cause.
- ☐ I understand that the CSU campus is a drug and alcohol-free zone.
- ☐ **I understand that serious problems created by my behavior/actions or failure to follow this code of conduct will result in my immediate dismissal from the program and arrangements will be made for my immediate transportation home at my own expense.**

**Residential Students:**

- ☐ I will listen to the residential counselor's instructions regarding group outings and will stay with the group. **If I elect not to participate in an evening event, I understand that I must stay in the dorm.**
- ☐ **I will not leave campus without an adult.** If I need to leave campus, my parent or authorized guardian must sign me out at the dorm and sign me in upon my return. I understand that I must be back at the dorm no later than 10:30 p.m.
- ☐ I will leave the dorm room as I found it with trash removed and linens folded and left on the bed or desk as directed.
- ☐ I will be respectful of others staying in the rooms around me. I will keep music at a reasonable volume level and have lights out at 11:00 p.m.
- ☐ I understand that mealtimes are from 7:00 – 8:30 a.m. for breakfast and 5:00 – 7:30 p.m. for dinner each day and that if I miss these for any reason, I am on my own for finding food but must check with an RA before finding an alternative food source.
- ☐ I understand that if I lose my key, I will be charged a \$170 replacement fee. If I lock my key in my dorm room, I may be charged a \$0.50 pass key fee to be let back into my room.
